bus stop

Urban furniture - A workshop program inside the treasured trash project in caïro. Between furniture and architecture, we improve public space. Supported by Raderum - mobilt kontor for samtidskunst & Bureau Detours.

for more info: /// www.raaderum.nu /// www.detours.biz

The bus stop is a small shelter to provide a comfortable time for people waiting on the bus.

ingredients:

concrete- will fix the construction to the ground.
wood- as main build material.
nails- connecting wood
covering- blocking sun, create shadow.

hammer
saw

procedure:

Find the problem. The ones who know the area the best are the inhabitants, find them, talk to them.

Preparing wood. Prepare the construction in a easy to work space.

Assemble. Once this process had started, you will attract peoples attention. try to explain what's going on and get them to help.

swingset

Urban furniture - A workshop program inside the treasured trash project in caïro. Between furniture and architecture, we improve public space. Supported by Raderum - mobilø kontor for samtidskunst & Bureau Detours.

for more info: /// www.raaderum.nu /// www.detours.biz

Activating areas by creating space. We gave the house a swingset, so the area became a playground attracted by children.

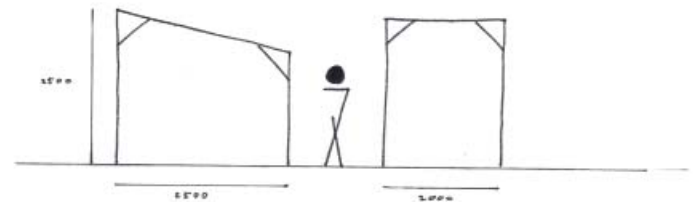

ingredients:

concrete- will fix the construction to the ground.
wood- as main build material.
nails- connecting wood
covering- blocking sun, create shadow.

hammer
saw

procedure:

The house is open for all suggestions, its all about ownership and what the neighbourhood thinks. The house is surrounded by open space so it maximises the area the best, try and find the right spots. Street corners often have good potential.

Furniture that travels through the city. From owner to owner, and area to area.

ingredients:

wood- as main build material.

nails- connecting wood

hammer

saw

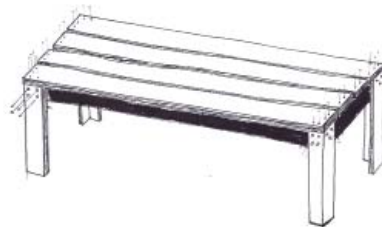

procedure:

Build moveable object indoors.

Furnitures like benches are moveable objects.

If someone takes ownership over the bench it will stay in their area.

Try to find the right areas or owners who can take good responsibility.
